

COURSE POLICIES & GOLF ETIQUETTE

At Fox Hollow Golf Course we strive to create an enjoyable and respectful environment for all golfers. Adhering to proper golf etiquette and maintaining an appropriate pace of play ensures that everyone can fully appreciate their time on the course. Please review and follow these guidelines:

PACE OF PLAY:

- Maintain a steady pace throughout your round. Aim to complete each hole within the allotted time, 15 min per hole.
- If you are 3 over par and still on the fairway, pick up your ball
- Be aware of your group's position relative to the group ahead.
- Adopt a "ready golf" approach, where players hit when ready rather than strictly adhering to the order of play

RESPECT FOR OTHERS & COURSE:

- Allow faster group to play through if your group is falling behind
- Be mindful of other golfers, course staff, wildlife, and property while on the course

COURSE CARE:

- Repair ball marks on the greens, replace divots, and rake bunkers after use
- Follow any specific course guidelines regarding cart paths, designated areas, and course maintenance.
- Please use trash can designated on each tee box

TEE TIME MANAGEMENT:

- Arrive and be ready to tee off 10-15 minute before scheduled tee time
- In the event of a no-show, a one-time warning will be issued as a courtesy. Subsequent occurrence will require prepayment for future reservation.
- We recommend beginners to not book a morning tee time on weekends

CART LIABILITY & ALCOHOL POLICY:

- Drivers of Carts must have a valid driver's licenses
- By accepting a key you are liable for any damages incurred during your round
- No alcoholic beverages shall be brought on to golf course property and the facility has the right to confiscate any outside alcohol at any time.

Failure to comply with these guidelines may result in a warning from course staff or, in severe cases, removal from the course.

Thank you for your understanding and cooperation in upholding these guidelines.
